Commissioner for Patents
Washington, D.C. 20231

Sir:

The Applicant, through its representatives and attorneys, hereby brings to the attention of the Examiner the six (6) documents noted on the accompanying Form PTO-1449. This submission is timely in that it is submitted with this petition for its consideration, a fee authorization to charge the deposit account No. 18-0013 for the required fee of \$180 and a certification.

This will certify that each item of information contained in this information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement. Specifically, these documents were cited in a Search and Examination Report dated February 17, 2003 from the Singapore Patent Office in connection with the prosecution of the Applicant's corresponding SG application. It may be noted that the search was apparently conducted by the Austrian Patent Office.

A copy of the search report accompanies this submission for the convenience of the Examiner. To the extent that any foreign language document is cited, this submission will show its perceived relevance. A copy of information that accompanied the search report about corresponding patent family members also accompanies this submission.
